Examiner's signature, if required

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant and the examiner discussed the claims of the present invention, the rejections set forth in the Office action dated 11/21/2005, and the possible amendments to the claims. US 6002397 disclosed a windows hatching system that assigns different colors to windows, whereas the present invention discloses windows management system with windows that have a focus priority. However, no agreement was reached. The examiner will consider the Applicant's written response once it has been received. .
